Does not include PPSA, other environmental or related levies or taxes, license, insurance, registration, additional options, or any dealer or other charges. All payments, prices and figures are estimates only and are not binding on Volkswagen or any dealer. Actual selling price, leasing / financing rates and other terms are set by the Volkswagen dealer. This is not an advertisement to sell at specific prices or on specific credit terms. Leasing / financing rates, payments, prices, figures, options and other information are subject to change without notice and are subject to verification and acceptance by the Volkswagen dealer. Leasing and financing require credit approval by Volkswagen Finance. This vehicle is subject to a levy on which provincial and federal taxes are payable. The levy is therefore added to the vehicle price prior to the calculation of taxes. The VW Select Program is a financing offer available through Volkswagen Finance on approved credit. Not available in Quebec.

The VW Select Program offers fixed monthly or bi-weekly payments for the term selected and a final (balloon) payment of the balance due at the end of the term. Available for the following fixed terms: 24, 36, 48 or 60 months. The maximum amount of the final payment depends on the length of the term selected (55%/50%/40%/30% of the MSRP). The amount of the final payment can be decreased at the customer's option; this will result in higher monthly or bi-weekly payments. See your Volkswagen dealer for details.

* All payments, prices, specifications, options, and information are subject to change without notice, and are subject to verification and acceptance by your local Volkswagen Dealer. Images may contain options and accessories that are not available in all markets or are available at extra cost. Please see your Volkswagen Dealer for details. Freight and PDI, PPSA, applicable taxes, license, insurance, registration and any dealer charges may be extra. Dealer may sell for less. All prices are in Canadian dollars and are manufacturer suggested retail prices. Please contact your Volkswagen Dealer for more details. All prices and payments are estimated and are non-binding to Volkswagen Canada or any Volkswagen Dealer.

* Manufacturer's Suggested Retail Price does not include installation cost of accessories (if applicable). Please see dealer for details.
